PERGOLA

Perfect for smaller spaces, the 8' x 8' aluminum Pergola is a modern twist on traditional wood pergolas. Offering both form and function along with creating a unique outdoor living space for entertaining, dining and outdoor movies. Easy to assemble and install, the Pergola features a durable premium matte black powder coat that requires minimal maintenance. Pergola can be customized by adding any of our 2' x 4' Decorative Screen Panels (DSPs) to the roof, providing both privacy and shade. For additional privacy, an optional Side Wall Kit — featuring a rail that allows four DSPs to easily slide in — can be installed at any height.

SCREEN ENCLOSURES

Barrette Outdoor Living's DIY-friendly screen enclosure solution — EncloSure™ — allows homeowners to enjoy being outdoors while offering protection against insects and the elements. Able to be installed into an existing covered patio, deck or upper balcony, EncloSure easily creates an extra space for entertaining and allows for increased privacy. Made of durable aluminum framing featuring a premium powder coat and high-quality screening with a flat spline technology that ensures screens stay in place even in the windiest conditions. With an easy four step purchasing system, homeowners can select from three sizes that best fits their existing covered space and, if needed, adjust post and rail sizes using a miter or circular saw. Additional options like a railing infill kit, screen door and in-swing kit are also available.
