

## MOISTURESHIELD® GOES TO THE OUTBACK

Design professional and TV personality Jamie Durie, sought out MoistureShield® composite decking to create enchanting outdoor retreat areas for the 2015 season of the "Outback Nation" TV show. This new show on the FYI Network is a fast-paced, one-hour makeover show that transforms the most overgrown, neglected backyards in America. They turned to MoistureShield® to help build each one-of-a-kind outdoor oasis because our expanded family of products provides the right solution for every outdoor living project. Jamie used the MoistureShield® Pro product line for unique colors and increased durability, along with our MoistureShield® deck clips for clean lines and easy installation.
