

# Vantage™

## Uncapped Composite Decking

Vantage cuts, rips, and bends like real wood—without losing integrity. Its solid core resists moisture without a cap, with self-healing properties that minimize surface wear. Wood grain texture on both sides makes installation easy.

### The Solid Core Difference

An impermeable barrier that fights damage from moisture, rot, insects and other harmful elements.

### Self-healing

Self-healing properties minimize the appearance of wearing and scratching.

### Zero Structural Field Failures

Our products have stood up to the elements for more than 30 years with no structural field failures.

### Reversible Boards

Reversible boards feature natural wood grain texture on both sides, allowing use of either side for installation ease.

### Slip Resistance

Slip resistant decking—perfect for bare feet.

### Marine Grade 2X

Marine grade boards are rated for a 24" joist span.

- 20-Year Commercial Limited Structural Warranty and Transferable 50-Year Residential Structural Warranty
- Boards naturally lighten to their permanent color within the first six months
- Made in the USA with 95% recycled material

- 1" x 5.4" boards available in 12', 16' and 20' lengths
- Rustic wood grain texture
- Solid color tones with a matte finish
- Rated for installations on-ground, in-ground and underwater

# Vantage™

Versatile. Durable. Dependable.

## Deck Boards and Joist Tape
