

Fathom™

Steel Railing

Formidable. Rooted. Steadfast.

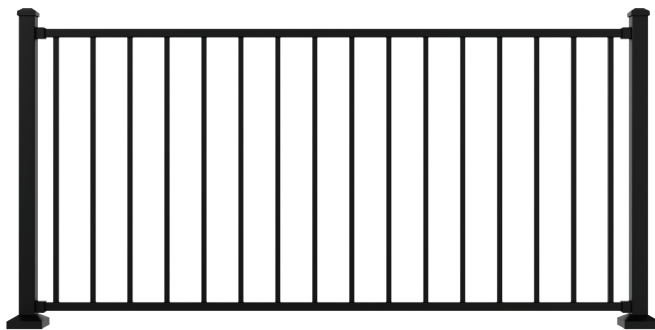

A solid choice that stands up to the elements, Fathom Railing provides the strength of steel with enduring style for both residential and commercial applications. Available with traditional vertical square balusters or modern horizontal rods, Fathom Railing panels come factory welded and are fully assembled. For ease of installation, posts come with pre-attached brackets. Featuring a premium powder coating for added protection against the elements, Fathom is available in two distinctive colors — textured matte black and hammered bronze.
