

Compass™

Aluminum Railing

Prevailing. Flawless. Guided.

Rust-resistant, aluminum Compass Railing features a premium powder coat that exceeds industry standards, providing unparalleled durability while pre-assembled panels utilize our patented Connex™ technology to ensure secure connections. Available with two top rail profiles or with an optional deck board adapter to create a flat "cocktail rail" enabling a matching deck board to be used for a cohesive aesthetic. A unique 2-to-3 Rail Adapter (sold separately) can create a distinctive three rail design that elevates Compass Railing to the next level. Available in three finishes with matching square balusters, modern horizontal rods or stainless-steel cables and featuring end caps that conceal rail cuts for a clean, polished look.
